

Angelina Baker

(modified from original lyrics)

1 4
Way out in the country, that's where I was born

1 4 1
I used to beat the whole creation, hoeing in the corn

1 4
Oh, then I worked and then I sang, so happy all the day

1 4 1
'Til Angelina Baker came and stole my heart a-way

Chorus:

1 4
Angelina Baker.....Angelina's gone

1 4 1
She left me here to shed a tear, and sing this lonesome song

1 4
I've seen my Angelina, in springtime and the fall

1 4 1
I've seen her in the cornfield and I've seen her at the ball

1 4
And every time I met her, she was smiling like the sun

1 4 1
But now I'm left to weep a tear, cause Ange-lina's gone

(Repeat Chorus)

1 4
Oh, Angelina Baker, she's long and she's tall

1 4 1
When sleep'n in the kitchen, her feets are in the hall

1 4
Angelina is so tall she never sees the ground

1 4 1
She has to take a telescope to look down on the town

(Repeat Chorus)

1 4
Early in the morning, on a lovely summer day

1 4 1
I asked for Angelina and they said, "She's gone a-way"

1 4
I don't know where to find her, cause I don't know where she's gone

1 4 1
She left me here to weep a tear and sing this lonesome song

(Repeat Chorus)
