

Can't You Hear Me Calling ?

1
Oh, the days are long and the nights are lonely

4 1
Since you left me all alone

4 1
I love you so, my little darlin'

4 5 1
I've worried so - oh - oh, since you've been gone.

Chorus:

1
Sweetheart of mine, can't you hear me callin' ?

4 1
A million times, I love you best.

4 1
Mistreated you, and now I'm sorry

4 5 1
Come back to me - ee - ee, is my re-quest

1
I remember now, the night we parted

4 1
A big mis-take had caused it all

4 1
If you'll re-turn, sunshine will follow

4 5 1
To stay away - ay - ay would be my fall.

(Repeat Chorus)

1
The nights are long, my little darlin'

4 **1**
Oh, how I need your warm em-brace

4 **1**
When I woke up, the sun was shining

4 **5** **1**
When I looked uh - uh - up I saw your face.

(Repeat Chorus)
