

# Dark Hollow

1                    5                    1  
I'd rather be in some dark hollow

   4    1  
Where the sun don't ever shine

   b7    4  
Than to be here a-lone, knowing that you're gone

   1                    5                    1  
Could cause me to lose my mind

## Chorus:

   1                    5                    1  
So blow your whistle freight train

   4                    1  
Carry me farther on down the track

   b7                    4  
I'm goin' a-way, I'm leavin' today

   1                    5                    1  
I'm goin' but I ain't comin' back

   1                    5                    1  
I'd rather be in some dark hollow

   4    1  
Where the sun don't ever shine

   b7                    4  
Than to be in some big city

   1                    5                    1  
In a small room with you on my mind

(Repeat Chorus)
