

Down the Road

1 6m
Now down the road about a mile or two

1 5 1
Lives a little girl named Pearly Blue

1 6m
About so high and her hair is brown

1 5 1
The prettiest thing, boys, in this town

1 6m
Now every day and Sunday, too

1 5 1
I go to see my Pearl Blue

1 6m
Before you hear that rooster crow

1 5 1
You'll see me headed down the road

1 6m
Now any time you want to know

1 5 1
Where I'm headed down the road

1 6m
Just get my girl, on the line

1 5 1
You'll see me there most any old time

1 6m
Now old man Hicks he owns the farm

1 5 1
From the hog lot to the barn

1 6m
From the barn to the rail

1 5 1
He made his living by carrying the mail

1 6m
Now any time I get the blues

1 5 1
I walk the soles right off my shoes

1 6m
I don't know why I love her so

1 5 1
That gal of mine lives down the road
