

# Footprints in the Snow

1 4  
Now some folks like the summertime, when they can walk a-bout

5 1  
Strolling through the meadow green is pleasant, there's no doubt

1 4  
But give me the wintertime when the snow is on the ground

5 1  
For I found her when the snow was on the ground

## Chorus:

1 5  
I traced her little footprints in the snow

5 1  
I found her little footprints in the snow

1 4  
I bless that happy day, when Nellie lost her way

5 1  
For I found her when the snow was on the ground

1 4  
I dropped in to see her, there was a big round moon

5 1  
Her mother said she just stepped out but would be returning soon

1 4  
I found her little footprints and I traced them in the snow

5 1  
For I found her when the snow was on the ground

**(Repeat Chorus)**

**1** **4**  
Now she's up in heaven, she's with the angel band

**5** **1**  
I know I'm gonna meet her in that promised land

**1** **4**  
But every time the snow falls it brings back memo-ries

**5** **1**  
For I found her when the snow was on the ground

**(Repeat Chorus)**
